

REQUEST FOR WAIVER OF BUILDING USE FEES

The Olympia Unitarian Universalist Congregation (OUUC) wishes to be supportive of programs and organizations that enhance the well-being of the larger community.

When possible we make our facilities available free of charge for events and organizations that are in harmony with our mission: "We are a liberal religious community that opens minds, fills hearts, and transforms lives. We work for peace, equality, a healthy earth, and an end to poverty. We recognize that being located in the state capital gives us special opportunities and responsibilities. In fulfilling our mission, we proclaim Unitarian Universalist values and advocate legislation that upholds them."

Space at OUUC is reserved first for church programs, secondly for church members, and finally for approved organizations. Usage on a long term schedule (weekly/monthly) will be reviewed periodically. Cleaning deposit and impact fees may still apply if room use fees are waived.

Please provide the following information to help us determine if room use fees can be waived.
