Use of Collection Barrels or Other Collections of Donated Goods

There can only be one Collection Barrel or Other Collection of Donated Goods at a time. Because OUUC is associated with many worthy organizations it is necessary to coordinate collection barrels and other displays.

Those wishing to schedule such a collection will contact the Administrator who will assure that Collections will be:

- Sponsored by an OUUC Ministry.
- Set up in the Commons, near the back wall.
- Limited to one month in duration.
- Advertised in the weekly e-blast, Sunday printed announcements and on the OUUC website.
  Complete the “Get the Word Out” form.
- Limited to one barrel or suitable container not taking up more than 6 square feet.
