George always had a smile and a twinkle in his eyes; that's what I'll remember.

I so valued George's wisdom, perspective and warm hugs. He was a true hug magnet.

From Melissa Denton to Everyone:

George was my son, Matt's, local grandpa for hugs at church. He was a dear friend and wonderful person to work with on church projects. And, my favorite hug every time I saw him!

From Gary & Sandra Worthington, he/him,she.her to Everyone:

We got to know George well when he and Helen were in a small group ministry meeting in our home a for a few years. His devotion to Helen was very obvious! I (Gary) learned a lot about the leading edge of technology from him, as he was always ahead on those matters!

From Sally Brownfield to Everyone:

George always asked about my life and of course gave me big hugs. He also said I was born in the same year as his son. My husband and I enjoyed Dinners for Eight with George on several occasions and also enjoyed Helen's attention and warmth toward us.

From Lee Doyle to Everyone:

I sat next to George during my first visit to OUUC. I asked questions about UU. He answered slowly, and said he thought I would enjoy this congregation. I fell in love with him, and appreciated his calm insights. He will be missed.

From Jim & Margaret Knudson to Everyone:

George was the unofficial construction supervisor when the first part of this church was being built - he was on site every day and we are indebted to him for that.

From Blair to Everyone:

Grandpa George played pool with me (Blair Morgan, Scott's wife) on the morning of our wedding day. We had coffee with Grandma Helen and he "pool sharked" me! It must have been the engineer in him, because he used geometry and angles and had one heck of a bank shot! We all loved you, Grandpa George.

From Jennifer to Everyone:

I will always remember Grandpa George driving Grandma Helen and I to the water in Seattle so we could collect sea shells every time I visited them in Seattle. George never treated my brother Scott and I as "step" grandkids but always as one of his own. He gave the most amazing hugs! I love you Grandpa George! You will be missed dealy.

From Blair to Everyone:

As my friend wonderful sister commented. George was the only grandfather we had a personal relationship with because he treated and I know felt as we were his own. Love you grandpa.

From Don & Barbara Lanning to Everyone:

Don and Barbara got to know George much later in life. We really appreciate the visits we had and especially the time on the cruise after Glenis's passing when he joined us for our 50th anniversary. He blessed us and we hope that we blessed him.
