*To laugh often and much;  
To win the respect of  
intelligent people and the  
affection of children;  
To earn the appreciation of  
honest critics and endure the  
betrayal of false friends;  
To appreciate beauty, to find  
the best in others;  
To leave the world a bit better,  
whether by a healthy child, a  
garden patch, or a redeemed  
social condition;  
To know even one life has  
breathed easier because you  
have lived.*

Ralph Waldo Emerson
