## Reflection questions:

- What does loving accountability look like in action?
- What is the narrative of injustice you have swept under the rug for far too long?
- How are you called to lovingly transform yourself and the world around you as you make the wounded whole?

**Help Clean Up the RE areas!** Immediately following the service, join Rev. Sara and Anissa for cleaning and tidying the nursery and other children's spaces. Lunch will be provided to volunteers.

**Share the Plate Offering:** Our Share the Plate organization for July and August is the Haki Farmers Collective. <https://hakifarmers.org/>

Haki Farmers Collective seeks to bolster and reincorporate traditional and inherently sustainable farming knowledge that is present in our migrant and indigenous communities. By holding close decolonization frameworks, Haki seeks to encourage our intersecting Black, Indigenous, and Immigrant peoples to reclaim life-giving knowledge of truly sustainable foodways and plant medicine creation.
