How We Do Family: Transgender Possibilities in 2025

with Trystan Reese

Trystan Reese is a transgender storyteller whose journey of love and resilience has delighted audiences worldwide. He'll be bringing that story to our congregation, and we are overjoyed to welcome him as he shares his experiences of transgender pregnancy and what it was like to carry that pregnancy publicly in 2017. Trystan is based in Portland, Oregon, where he writes, parents, and works with communities interested in fostering belonging and compassion.

Guest Speaker Bio: Trystan Reese is an award-winning author, facilitator, and coach focusing on diversity, equity, and inclusion. He has been organizing with the trans community for nearly two decades, serving on the frontlines of this generation's most significant fights for LGBTQ+ justice. An accomplished storyteller, Trystan has toured with The Moth MainStage's renowned team; the video of his Brooklyn performance has garnered over 2.6 million views online, and his story was subsequently included in The Moth's 2024 anthology, A Point Of Beauty.

A Moral Document with Rev. Carol McKinley

On July 4th we celebrated the 249th anniversary of the Declaration of Independence. How are the values of freedom and human dignity expressed in that document reflected in the values we honor in our Unitarian Universalist faith tradition?

**[** Important Community Updates

### **1** Construction Ahead!

You may have noticed that the entire building is being painted, thanks to all of your financial support for our congregation! Building maintenance will continue through August 1st. If you're coming to the church outside of Sunday worship hours, *you may have to use different doors than normal* to get in and out due to painting, caulking, and other work. Additionally, we expect the roof repainting and repair to take place by the end of July or early August, so be alert when you're entering and exiting the premises!

Once again, thank you all for all you do to keep our church well-maintained and ready for the next generation of UUers!

One of our young ones has a severe peanut allergy and we are moving to become a peanut-free facility in response. This is one of the ways we take care of each other! Please do not bring any peanuts, peanut butter, or products that contain peanuts (including peanut oil) to OUUC. Thank you for helping keep our community safe for all.
