

The Pathway to  
*Membership in the Olympia  
Unitarian Universalist  
Congregation*

*Olympia Unitarian Universalist Congregation*

## *Requirements for Membership*

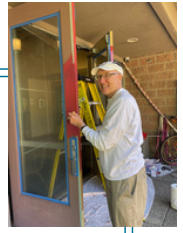

Membership in the congregation is defined in the congregational bylaws. You can find the complete bylaws here: <https://www.ouuc.org/about/who-we-are/bylaws-and-policies/>

The requirements to become a member of OUUC are:

1. For those ages 14-18, to have completed the Coming of Age program, made an identifiable pledge, and signed the membership book
2. For those ages 18+, to have completed the New Member Class series or received a waiver from the minister, have made an identifiable pledge, and signed the membership book

## *Membership Classes*

Are offered two or three times a year and are typically 8 to 9 sessions long. You don't need to attend every session, just more than half. However, we believe the content for each session is important and encourage you to explore the topic even if you cannot make the session. This pathway guide can help you do that.
