## WELCOME NEWCOMERS!

This is a special monthly newsletter that shares what is happening here at OUUC for those who are new. We are trying to avoid insider language and assumptions here, if anything doesn't make sense please let us know.

We are also happy to chat with you in general. Feel free to reach out:

## STEWARDSHIP AND FUNDING IN A UU CONGREGATION

This month we will launch our annual Stewardship campaign, to raise pledges to support the 2026-2027 operating budget for the congregation. In Unitarian Universalism, each congregation is an independent financial entity, setting its own budget and funding its own works. At OUUC, we ask everyone to make a pledge once a year, which helps us to predict income in order to set a budget for expenses. Annual pledges make up 88% of the annual budget.

The culture of giving in Unitarian Universalism is completely voluntary, although we have "fair share giving guides" that people can use for help in deciding their possible level of giving. But we don't "tithe" (a term for giving 10 percent to your church) in quite the same way other traditions do. We ask for a pledge, of the amount that feels right and doable for each person.
